

SPORTING SUCCESS

ALBERT MAKES THE LONDON IRISH TRAINING SQUAD

I started playing rugby at Winchester Rugby in the U8's touch team and have progressed up to playing for the U15's Winchester Team and start as number 10 which is fly half. During this last season we came second in the Hampshire League and won the Hampshire Cup when we beat Gosport and Fareham 38-0 in the final.

Outside of playing for Winchester I was selected to be in the London Irish Development Programme at the start of the season, in May I had the opportunity to represent London Irish as fly half in a game versus Bath where we won 65 -25 following this, I have been selected for the higher training squad and look forward to continuing training hard and see what opportunities may come from this.

I would love to continue getting the opportunity to play for London Irish alongside Winchester and continue developing all aspects of my game as a flyhalf and see where my rugby can take me in the future.
